

Dear Saint Nicholas Religious Education families,

The NE Team is looking forward to accompanying you and your family on their journey of faith and it is our hope that the up-coming year will be a time of deepening relationships with each other and Jesus.

We would like to take this opportunity to thank Kathy Brennan for her 10 years here at St. Nicholas as our New Evangelization Coordinator. While we are currently in the process of hiring a new NE Coordinator, please keep in mind that dates and/or times may change. We ask for your patience and prayers.

We will continue to use the bridge to home method that we adopted two years ago, with one session on-site and following session home-based for our Elementary and Middle School families. We are still determining what the bridge to home will look for our high school families. We will once again have Family Events periodically throughout the year for home and in person families.

Blessings,

The NE Team
