

*Each November, Saint Nicholas Parish pauses to remember those who have passed and to offer consolation to those who grieve.*

*Our Parish will celebrate the memory of loved ones who have passed since last November on Wednesday, November 2, 2022, at 5:45 p.m.*

*There will be Mass in church with a procession to the cemetery for a candlelight vigil afterwards.*

*Please come to pray and to remember with us. Only one invitation is sent to each family. As you are our contact person, please extend this invitation to other family members and friends.*
