

7th Grade October 29 Home Lesson

Last week, we talked about having the courage to trust in God.

Throughout this week, spend some quiet time praying for the person whose name was on your sticky note. Ask for peace, strength, and blessings in their life. Small prayers can make a big difference.

Trust in Jesus (Hallow)

Do not let your heart be troubled or discouraged but trust in Me! Trust that I am more powerful than this world and even the circumstances of your life right now, for I am still the Lord!

The winds and the waves still know my name for at my name every knee must bow, in Heaven, on earth, and under the earth. For at the name of Jesus my presence, my power, my peace is released into your life and your circumstances.

And so, do not lose hope, but in your struggles cry out to me, even if you lack the words to say, just speak out the Name of Jesus and I will come. I will take care of you, I will bring you the peace that you need.

(John 14:1, Matthew 8:26-27, Philippians 2:10)
