5th Grade At-Home Lesson

Lesson: Saints

This week you will be learning about saints. Begin by viewing this video about how a person becomes a saint in the Catholic Church.

<https://www.youtube.com/watch?v=1UGRdpRJWYA>

Then, you need to spend some time learning about Catholic saints. Using the activity sheets "A Saint Scavenger Hunt", research a saint for "Your Birthday", "Your Name", and "Your Life". Complete the facts and questions about each saint.

Here are some websites to get you started, but you could also use a saint book if you have one.

You may want to research your specific saint by using this format "St. Gregory the Great for kids". This will provide easier to read websites.

Please bring your complete activity sheet to your catechist on Wednesday, November 15th along with your activity from Wednesday, October 25th about Baptism.

Have a blessed week!
