

Dear Saint Nicholas Religious Education families,

St. Nicholas is looking forward to accompanying you and your family on their journey of faith and it is our hope that the up-coming year will be a time of deepening relationships with each other and Jesus.

The Church teaches that the primary teachers of children are the child's parents. The Parish is given the task of assisting parents in teaching the faith to their children. The mission of the Religious Education is to assist the parents in teaching about our Catholic faith and passing this faith on to the children who attend the programs and activities offered.

For this reason, we will continue with one session on-site and the following session home-based for our Elementary and Middle School families. The High School disciples will have three weeks in person and one home lesson each month. We will once again have Family Events periodically throughout the year for home and in person families.

Blessings,

St. Nicholas Discipleship
