**Discussion Items:**

- 1) Pastor's Comments: Fr. Walter mentioned that Carl Peterson would like to see us achieve having youth cantors at weekend services for 2022.

Capital campaign for January 2023 should include Tower bells, Sanctuary remodel and Outreach for Freedom Food Pantry.

- 2) Reflections: Graduation, First Communion and Confirmation services went well.
- 3) Fr. Walter appointed Karen Court to join the Worship Committee for a 3-year term.
- 4) Music Director discussion – Per Joe Hinshaw, there is a music committee that meets quarterly, and it was agreed that this is sufficient for now.

**New Business:**

- 5) Country fest Weekend – Regular mass times for the weekend. It was discussed if we would like to consider setting up a booth and hand out a brochure for the Parish or something to capture attention of attendees to evangelize.
- 6) Children's liturgy of the word – A leader is needed. Any interest? There is a need for a new leader to start the program. There is much interest in the program from families with young children. We will spread the word regarding the need for a leader to start program back up in the fall.
- 7) Most Precious Blood – Will parishioners be able to receive Most Precious blood during church services again. Fr. Walter has not heard any news regarding this as of meeting.

- 8) Social meet and greet with new priest – Deacon Gary will check with Fr. Robert to see if July or August works for a meet and greet with Worship committee to get acquainted. Next Worship committee meeting will be in September.
