What is scrip?

When you purchase scrip, you are purchasing gift cards that are used just like cash. You can use the gift cards to purchase everyday expenses like food, clothing, gas, and other essentials. With every purchase, you can share in the profits, or select the Tuition Assistance Fund or St. Nicholas Parish to receive the revenue.

How does scrip generate revenue for St. Nicholas Congregation?

Participating retailers/merchants like grocery stores, gas stations and department stores offer a discount to non-profit organizations when they purchase large amounts of gift cards. St. Nicholas buys the gifts cards at a discount, and re-sells them to families like yours for full face value. We also have local businesses that participate in the program by accepting a reduced amount when we sell cards to their establishments. The discount is revenue for St. Nicholas Congregation.

How can my family benefit from purchasing scrip?

When your family purchases scrip, St. Nicholas shares the *profits* 50/50 with you. Your family's share of the profits can be used to offset items such as tuition (school & faith formation), retreat fees, vacation bible school fees and mission trip fees. Any credits earned beyond the fees incurred during the year can be carried forward to the next year. If you do not currently incur any of these fees, you can designate another family to receive your share of the profits, or the entire amount will be received by St. Nicholas Congregation. Simply ask the seller for the form to change how your distribution is made. No credits can be reimbursed in cash or check.

When are scrip credits paid out?

Scrip credits are paid out 4 times per year. Credits earned from 4/1/18 - 3/31/19 will be applied to the 2018/2019 school year. The credits are typically applied 1 month after the end date of the earning period. Statements to see how these credits are computed are available upon request.

When is scrip available?

Scrip is available after all weekend Masses at the scrip table in the back of Church. In addition, scrip is available on Wednesday afternoons from 4:30 - 5:00 and Wednesday evenings from 6:30p - 8:00p when New Evangelization Classes are in session in the Parish Office. Scrip orders can be picked up in the Parish Office Thursdays from 2:00p - 4:00p and Fridays from 8:00a - 10:00a when the Parish Office is open. Other special times may become available and will be announced in the parish bulletin.

Can I e-mail my orders for pickup at a later time?

St. Nicholas has set up a special e-mail box for families to use to e-mail their orders to us. The address to send your orders to is **scrip@stnicholasfreedom.org**. E-mailing your orders allows us to pull your order together so that you simply need to pay for the order when you come to pick it up. An e-mail confirmation will be sent when your order is received and will also let you know when you can pick up your order. Orders received by 6:00pm on Sunday are typically available starting on Wednesday afternoons. Non-stock orders received after that time will not be available until Wednesday of the following week. Orders for stock items are typically available during the next sales period, depending on inventory levels.
