

Third Grade News

Happy Friday!

We've added more learning choices to our possibilities as we introduced how we can use our chrome books, or devices at home, to help us in S.S., Science, typing skills, and Math/Language. Today we discovered cool videos on Storyworksjr as well! Logins and passwords will be typed soon and placed in a clear protective cover in binders for use in and out of school.

MASS parts will be coming home in the next weeks. Though we practice in school, please practice reading parts with your students as well!

IMPORTANT:

Students will need a cold lunch for our fieldtrip, Oct. 3. We will eat when we return @ noon. If interested in chaperoning, please let me know. Must be VIRTUS trained.

homework

Much better with homework and studying this week. Assessments have improved greatly! Please note quizzes and test dates in newsletters and online on our class page. (Up and running by Monday)

YOU ARE THE MOST **TALENTED**
MOST **INTERESTING** MOST
EXTRAORDINARY
PERSON IN THE
UNIVERSE. YOU
ARE CAPABLE OF
AMAZING THINGS.

Rocket of the Month

Next Friday a Rocket of the Month will be announced from each grade level. These students will be picked based on the character trait of **RESPONSIBILITY!** Be sure to check next weeks newsletter and Rocket Recorder to see all those chosen.

weekly focus

Each week, in this section of the newsletter, I will list the concepts we will be learning in our classes the following week/s.

Religion: We are God's Holy People
Reading: Continuing with our novels==focus: Visualization
Math: Multiplication and Area and more X'S - 4
Language: Subjects and Predicates
Vocabulary: Unit 2
Social Studies: More Ancient Greek and Rome
Science: Physical Science: Continuation of Tools of Science
