Mass Dates

Kindergarten will be planning mass along with the 8th grade class for Thursday, February 28th and Thursday, April 25th. All kindergarten students will be sitting in the choir leading mass. Some students will have speaking parts which we will practice at school. Any student that does not have a speaking part in the first mass will have one the next time we plan mass in May. Mark your calendars and please come and join us as this is a new and exciting experience for kindergarten students.

Contacting Mrs. Wilkinson

Please feel free to contact me via email, phone or text. The way of the world is technology and I'm ok with receiving text messages especially if it is a quick question, pick-up change, appointment notice etc. If it is something that needs to be discussed in length, I ask that you please send an email. I just ask that you respect the fact that I have three small children at home, so after 3:30 I may not respond right away but will get back to you. Please no phone calls or texts after 8pm.
